# Hypermarket format introduction

Our hypermarkets operate under "Nash Gipermarket" ("Our Hypermarket") brand. They are:

- located close to major transport routes;
- aimed at daily visits as well as multi-purchase occasional store visits during the week-end

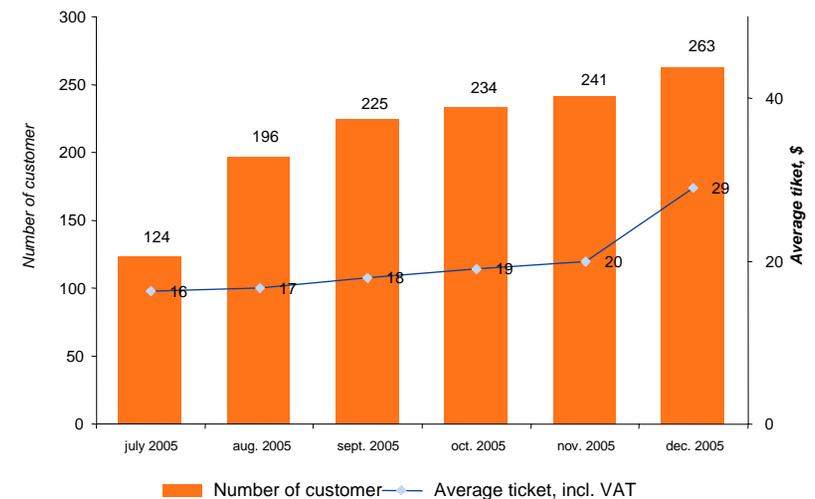

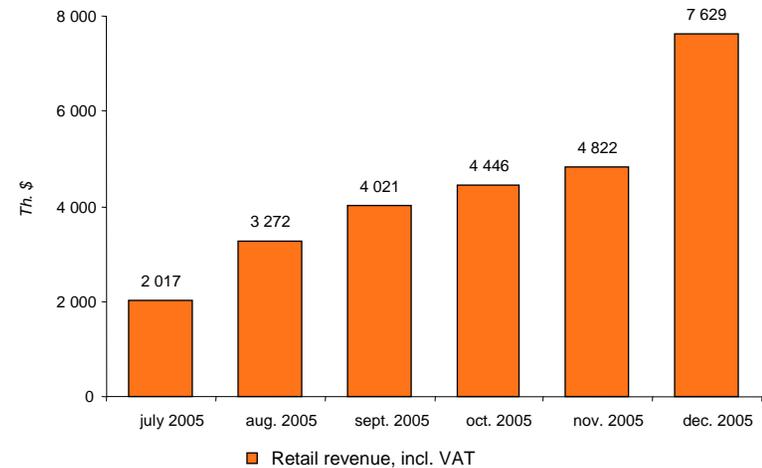

"Our Hypermarket" format offers customers the advantage of low prices, broad assortment of both food and non-food products as well as extended presence of our own "private label" product line compared to our supermarkets. The targeted share of non-food products in hypermarket is higher – 30-40% depending on space

The Company's first "Our Hypermarket" store was opened in July 2005. It had following results in 2005 :

- 3% of our retail revenues
- 1,3 million of customers
- \$19,6 average ticket in 2005 and \$22 in 01.01-28.02.2006
- 28% share of non-food goods

We opened our second hypermarket in January 2006

## Our first hypermarket performance

# High margin products and services

## Non-food products

- Share of 11-17% in supermarkets' revenue and up to 28% in hypermarkets' sales in 2005
- Hypermarkets will boost the share of non-food in total revenues to 30-40% depending on volume of selling spaces
- Higher margins than on foodstuffs: on average 32,5 % compared to 27,2 % on food products

## Private label

- Sales started in July 2005:
  - More than 320 SKUs
  - 20 product categories
  - In «Our Hypermarket», «Next-Door» stores and «Universam»
  - «Our product» brand
  - Selling price is at 10% lower than equivalent branded goods

## In-store production

### Bakeries

- 26 bakeries located in Supermarkets
- Over 70 types of product, including diet types of bread and traditional pastries

### Meat products

- Sale of meat production in most our retail chain stores
- Over 400 types of products, including marinade and meat convenience foods

## Other services

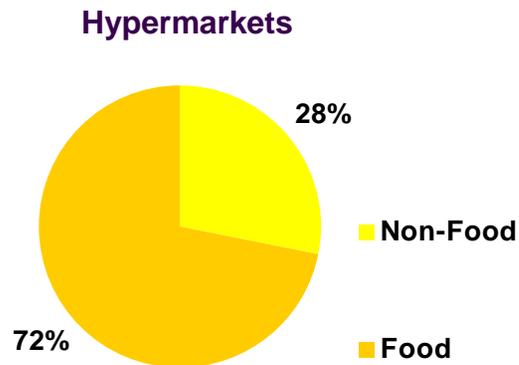

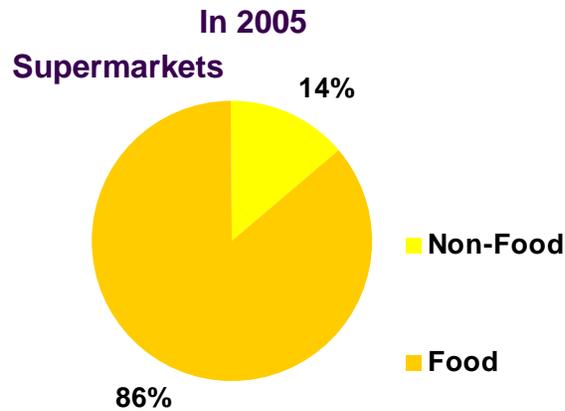

- Direct delivery
- Outlets for mobile telephony service providers
- Dry-cleaning service providers
- Currency exchanges
- Photo laboratories
- Pharmacies
- Gift shops
- Retail banking services and discount programs

**Focus on further increasing the share of high margin goods and services in revenue**

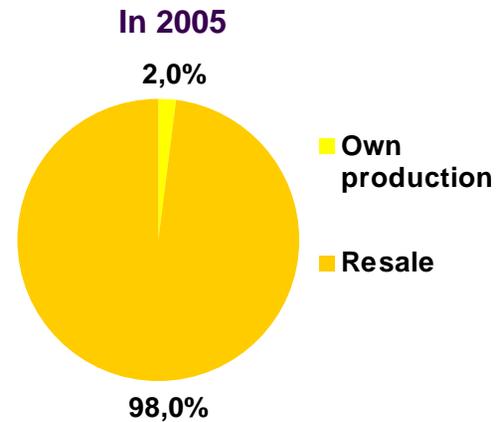

# Product mix

# 2006 outlook

- **We expect to continue sustainable sales growth and strong operating and financial results in 2006 due to:**
  - up to 5 new openings of hypermarkets in Moscow, St. Petersburg, Ryazan and the Kaliningrad region
  - opening of "5 Stars," "Universam" and "Next-Door" stores
  - potential acquisition, including retail grocery chains

**We plan to invest approximately \$300 mn to finance our organic growth in 2006**
